I have the honour to state that there is at present only one Food Inspector on Rs 50+5 c A. in this Municipality As the City is growing year after year, the appointment of another Food Inspector is absolutely necessary for the reasons explained in the Health Officer's Memo No. H_2-431-41 dated - 13-3-1942, a copy of which is herein enclosed for favour of reference As such the Council provided a sum of Rs 800/- in the current year's Budget to meet the expenditure on this account It has also been retained in the Budget estimates sanctioned by Government Necessary provision in this behalf will be made in the annual Budget estimates in future
I request you therefore to kindly move the Government to accord sanction to permanently entertain an additional Food Inspector on Rs 50+5 C A per mensem and a peon on Rs 12/- per mensem
Necessary proposition statement in triplicate is herein enclosed

Copy of Memo No H2-431/41 dated 13th March 1942 from the Health Officer, Bangalore City Municipality, to the Municipal Commissioner, Bangalore City

---

The proposition statement in triplicate is herein enclosed as called for

There is only one Food Inspector on Rs 50 5 C A at present It has been found by experiance that enough - - supervision over the proper working of the bye-laws relating to the Hotels, Coffee clubs, etc , and also the Food Adulteration Act cannot be done by a single individual in a city of this magnitude Day to day vigilance has to be kept on the public Restuarants in regard to their sanitation and - proper cleanliness and also the standard of purity of food stuffs used towards catering to the public. In addition to this, there will be several prosedution cases for which the Food Inspector has to attend the Courts In order to carry on all these items of work, there will be plenty of office correspondence

It is therefore felt that the services of another food Inspector with a similar qualification of L M P on the same salary and a peon on Rs 12/- per mensem to help him is disirable The Municipal Council have approved of the same and the Government in the sanctioned budget have retained the - allottment under the head It now remains for the - - - Government to accord formal sanction to the proposal
